About Enterprise:

We are proud to be a franchisee of Enterprise Rent-A-Car – the largest global car rental provider operating in over 100 countries, with more than 9,500 locations worldwide. We opened our first Netherlands Enterprise location in 2013 and today we are proud to have 5 rental locations across the country in Amsterdam ([Amsterdam Centraal Station](#), [Amsterdam Zuidas](#), [Schiphol Airport](#)), Maastricht ([City Centre](#)) and Eindhoven ([Airport](#)).

At Enterprise we distinguish ourselves with truly personal service for our customers. Since we are a young and independent company, we are able to provide innovative services and solutions around mobility in a quick and efficient way. We want to define a new direction in the Dutch automotive industry; through our close relationships to our partners and customers, Enterprise Rent-A-Car Netherlands is able to adapt quickly to new changes in the market.

Through our partnership with Corporate Housing Factory, we're able to join forces and make your transition to a new country easier. Corporate Housing Factory recognizes that moving can be challenging and therefore considers all of their clients needs. At Enterprise we specialize in flexible mobility solutions that match the needs of business travellers coming to the Netherlands perfectly. See below for more details about our products and special rates.

Our Products:

We are pleased to offer our customers a wide selection of mobility options and products based on their needs; whether that is a vehicle for a couple of hours, a few days, several weeks or many months – we have a solution for you!

Car Sharing:

This product offers our customers an hourly rate so that you have the flexibility to rent a car for short trips such as furnishing your new home or a spontaneous beach day with friends! For more details about pricing and requirements [please click here](#).

Car Rental:

This product is for any trip longer than 24 hours such as a fun weekend getaway, a short visit to another city or a week-long trip to another country! Whatever the need, we have a wide variety of vehicles available for any journey. To discover more options [please click here](#).

Short Lease:

Need a car for 1 month or longer? Maybe even for 1 year or more? Then our short lease product is the best option. Short lease allows you access to a vehicle for the long term but does not require a full commitment – you can cancel your subscription or exchange our vehicles any time after 30 days! It's flexible, economical, and convenient. For more information, [please contact our colleagues](#).
